Part A.

1. Application

Applicant: Mr Jack Carpenter

Premises: Middle Farm
North End Lane
Cheriton
Hampshire
SO24 0PW

- 1.1 This is an application to hold an event under a Temporary Event Notice (“TEN”) pursuant to section 100 of the Licensing Act 2003, outlining the proposal for an event to take place at Middle Farm, North End Lane, Cheriton, Hampshire, SO24 0PW for Alresford Young Farmers.
- 1.2 The event is proposed to take place from 20:00 on 7 September 2019 to 02:00 on 8 September 2019.
- 1.3 The notice specifies that the event will take place within a barn at the address, however, the exact location has not been specified.
- 1.4 The notice specifies the sale by retail of alcohol (for consumption on the premises only) as a licensable activity.
- 1.5 The notice also includes details of a DJ at the event, but regulated entertainment has not been selected as a licensable activity. Given the details and timings of the event provided in the application this activity would be licensable as regulated entertainment.
- 1.6 The notice states that no more than 150 people will be on the premises at any one time whilst licensable activities are taking place. This includes any staff, organisers or performers.
- 1.7 The application was received by the licensing authority on 7 August 2019, which is within the required time limits as outlined in section 100(7) of the Licensing Act 2003; that is, notice must be given to the licensing authority no later than ten working days before the day on which the event period begins.
- 1.8 The Temporary Event Notice, as shown in Appendix 1, details the proposed dates, times and licensable activities.
- 1.9 Hampshire Constabulary made an objection to this Temporary Event Notice with regard to the prevention of crime and disorder and public safety licensing objectives. This objection was received on 9 August 2019, which was within the time limits outlined in section 104(3) of the Licensing Act 2003; that is, no later than the end of the third working

day after the police is given a copy of the notice. The objection can be seen in Appendix 2.

1.10 Environmental Health made no objection to this notice.

1.11 Notices of the Hearing were sent to all Parties on 13 August 2019.

Objections

2. Relevant Persons

Both the Police (Hampshire Constabulary) and Environmental Health, being the “Relevant Persons” for TEN applications, were served with a copy of the notice on 7 August 2019. No other Responsible Authorities are required to be notified of applications under a TEN. The objections received are as follows:

Environmental Health

No objection received.

Hampshire Constabulary

Objection was made by Colin Pollard of Hampshire Constabulary, who has the delegated authority of the Chief Officer of Police in respect of his responsibilities under the Licensing Act 2003. The objection has been made with regard to the prevention of crime and disorder and public safety licensing objectives. The full objection can be seen in Appendix 2.

3. Observations

The Sub-Committee is obliged to determine this application for an event under a Temporary Event Notice with a view to promoting the Licensing Objectives:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

In making its decision, the Sub-Committee is also obliged to have regard to the National Guidance and the Council's Licensing Policy.

The Sub-Committee must have regard to all of the objections.

The Sub-Committee must take such of the following steps it considers appropriate to promote the Licensing Objectives:

1. Grant the TEN in accordance with the application.

OR

2. reject the application.

The Sub-Committee must have regard to the South Downs National Park purposes when considering applications to ensure they are respected. The purposes are:-

- (a) Purpose 1 – to conserve and enhance the natural beauty, wildlife and cultural heritage of the area.
- (b) Purpose 2 – to promote opportunities for the understanding and enjoyment of the special qualities of the National Park by the public.

Terminal hours

The Sub-Committee should take account of the National Guidance and the Council's Licensing Policy with regard to terminal hours and take such steps as it considers appropriate to promote the Licensing Objectives.

(Licensing Policy Part 4, A8)

Licensing Objectives

Crime and Disorder

The Sub-Committee should consider the potential for crime and public disorder relating to the premises having regard to the notice and the objections.

(Licensing Policy 1.9, 2.11, 2.17 and Part 4 Section A)

Public Safety

The Sub-Committee should consider any concerns relating to public safety having regard to the relating to the premises having regard to the notice and the objections.

(Licensing Policy Part 4, B2, B3)

Public Nuisance

The Sub-Committee should consider the potential for public nuisance caused by noise pollution from the premises relating to the premises having regard to the notice and the objections.

(Licensing Policy Part 4, Section C)

Protection of Children

The Sub-Committee should consider any concerns relating to the protection of children relating to the premises having regard to the notice and the objections.

(Licensing Policy Part 4, D6, D7)

Human Rights

It is considered that Articles 6 (right to a fair trial) 8 (right to respect for private and family life) and Article 1 of the First Protocol (right to peaceable enjoyment of possessions) may be relevant. As there is a right of appeal to the Magistrates' Court, it is considered that there would be no infringement of Article 6. Article 8 is relevant, insofar as the nearby residents could claim that this right would be infringed by disturbance from customers. This should be balanced against the applicants' right to use of their premises under Article 1 of the First Protocol. Interference with these rights is permitted, where this interference is lawful, appropriate in a democratic society, and proportionate. Likewise, the residents may argue that their rights under Article 1 of the First Protocol would be infringed. To the extent that any interference may occur, it would be justifiable in a democratic society, and proportionate.

4. Conditions

The Licensing Act 2003 at section 106A provides that only the licensing authority can impose conditions to a Temporary Event Notice from the existing conditions on the premises licence or club premises certificate at the venue.

The licensing authority can only do so:

- if the Police or Environmental Health have objected to the TEN;
- if that objection has not been withdrawn;
- if there is a licence or certificate in relation to at least a part of the premises in respect of which the TEN is given;
- and if the licensing authority considers it appropriate for the promotion of the licensing objectives to impose one or more conditions.

Middle Farm, the premises, does not currently have an existing premises licence or club premises certificate and therefore conditions cannot be imposed.

5. Other Considerations
