Update

The report refers to ICNIRP. This abbreviation stands for “International Commission on Non-Ironizing Radiation Protection”.

Within the planning history section of the officer’s report, the officer refers to planning application 17/01930/TCP for the proposed installation of a 17.5m pole, supporting 3 no antenna, associated ground based equipment cabinets and ancillary development which was refused permission on the Telecom Site, Corner Of Athelstan Road and Andover Road. The reason for refusal was due to the proposed development being contrary to Policies CP13 of the Winchester District Local Plan Part 1 2013 and DM15, DM16 and DM22 of the Winchester District Local Plan Part 2 2017. The application was then allowed at appeal on the 17th October 2018. Ref: APP/L1765/W/18/3197522. The Inspector concluded within the appeal decision that ‘Whilst I acknowledge that there would be limited harm to character and appearance of the area from the siting of the pole, this would be outweighed by the public benefits arising from the proposal.’

Update

Further considerations have been given to condition No.2 in regards to the operating hours for the site. With the proximity of the student accommodation,
nature of the surrounding area and the mitigation measures proposed there will be a low impact as a result of the site; however the public holidays relate to a handful of days per year with most of which fall outside of term time for students. Therefore the condition is to be altered to allow operating hours during public holiday as there is considered to be no significant adverse harm to the amenities of nearby occupiers.

Condition 2 should be amended as follows:-

The use hereby permitted shall only open to customers within the following times 0830 - 1830 Monday to Saturday and 0930 - 1630 on Sundays.

Reason: To protect the amenities of the occupiers of nearby properties.

**Update:**

Householder report, Page 38: Garage/Ancillary structure represents an increase of 5m², not 3m² when measuring externally.

Additional conditions to add to the listed building application

**Condition 7:**

No works to erect the extension hereby approved shall proceed beyond ground works until full working details of the extension, at a scale of 1:20 overall with details of windows, doors, and details to show the interface and means of connection to the existing building at 1:5, have been submitted to and approved in writing by the Local Planning Authority. The submitted details must be referenced against the approved plans, and must show the relationship with the surrounding / original fabric. The works shall then progress in strict accordance with the approved details unless agreed otherwise in writing by the Local Planning Authority before varied on-site.

Reason: To preserve the special architectural and historic interest of the listed building in accordance with Policy DM29 of the Winchester District Local Plan Part 2 Adopted 2017, Policies CP19 & CP20 Winchester District Joint Core Strategy and NPPF Section 16.
Condition 8:
All works of repair to the surrounding fabric and surfaces affected by the works hereby approved shall employ materials, traditional workmanship, and detailing, to match the existing in all respects, unless otherwise agreed in writing by the Local Planning Authority before the commencement of works on-site. The works shall then proceed in strict accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason: To preserve the special architectural / historic interest of the listed and/or the character and appearance of the conservation area in accordance with Policies DM27, DM28, DM29 of the Winchester District Local Plan Part 2; Policy CP20 Winchester District Joint Core Strategy; NPPF Section 16.

**Update**

General Comments section of the report should read “The application is referred to Committee due to the number of letters of objection received, contrary to the officer’s recommendation to approve.”

The refused application (refused by Planning Committee on 18.07.2019) is currently at appeal. A decision for the appeal is not expected before the end of November, although the Inspectorate’s timescale can vary.
