

APPENDIX 4

Technical Note

Bus Routes and Stops

North Whiteley

332310155

15 October 2021

1. Introduction

- 1.1. This Note sets out the proposed bus services, routes and stops for the North Whiteley development.

2. Phasing

- 2.1. There are four phases of bus service delivery, each shown below.
- 2.2. Phase 1: the bus service is to be provided by extending and enhancing the existing First service 28 (Fareham to Whiteley) as shown in the timetable below.
- 2.3. Phase 2: new service introduced to replace service 28, operating every 30 minutes Monday to Saturday daytime between Fareham and Hedge End. Trigger point is 800th home occupation.
- 2.4. Phase 3: a 60-minute evening and Sunday timetable to be added to the Fareham-Hedge End service and a new local service to be introduced, operating every 60 minutes Monday to Saturday daytime between Swanwick and North Whiteley. Trigger point is 1,300th home occupation.
- 2.5. Phase 4: the Fareham-Hedge End service will be diverted via Whiteley Way instead of Bluebell Way, otherwise services will operate as Phase 3. The trigger point for this change will be the opening of Whiteley Way as a through route between Tesco and Botley Road.
- 2.6. Confirmation of proposals for phases 2, 3 and 4 is subject to tendering results being affordable within agreed budgets.

APPENDIX 4

Fareham - Swanwick - Whiteley - Botley 28 28A

via Highlands (28)/Greyslott Avenue (28A) - Segensworth - North Whiteley

Operated as PH0006159/275
