Let someone else do the driving

Avoid the driving and parking costs and let someone else do the driving instead.

As the development grows the 28/28A will extend in 2021 when it changes to two buses an hour and will eventually run between Fareham and Hedge End.

There is an extensive bus service connecting you with the whole of the Solent area. Whiteley Meadows has been designed to allow the extended 28/28A service to serve the development initially linking Whiteley Meadows to Botley and Swanwick stations and Fareham in during 2020 on an hourly basis.

Hop off the bus at Botley or Swanwick station for days out by train or your commute.
